Greetings Artists,

February is here and love is in the air! We have many exciting things happening this month for IAA members, so be sure you are a member to enjoy all of the benefits we have to offer! We are continuing on our refreshing new year routine, with our free basic art classes for colored pencil and our February General Meeting Demo Artist Cynthia Padilla showing us her technique in Pan Pastels. We hope to see everyone participate in our activates, as you are the sole purpose we organize them. Also, we have many available positions on our board of directors, so please, make your opinion heard and help us lead the IAA! These open positions include:
Membership Chairman
Exhibits Chairman
Publicity Chairman

If you are interested in joining our board, please contact our President VET at president@irvingart.org.

We look forward to a wonderful month with our membership, and remember, a successful organization requires the interest, motivation, and participation of its own members. Thank you all for being a part of IAA!
