

The March IAA Members Meeting will be held on the 4th Tuesday evening, March 27 at 7pm.

It will feature artist **Junanne Peck**, who will give a demonstration of encaustics, the ancient art of painting with wax and resin. Her demo will feature basic core information, including the history of encaustic, health and safety, and the fundamentals techniques of painting and fusing. If time allows, she will also show how to create depth and transparency, texture, ultra-smooth surfaces, transfer of drawings, stencils, and collage.

Doors open at 6:00 pm and the **Meeting starts at 7:00 pm** at the Jaycee Park Center for the Arts in Irving. Guests are welcome. [Directions](#).

Artists, don't forget to bring your entry for the Artist of the Month competition. We will also have a Silent Auction of art supplies.

About the artist:

Junanne Peck was selected as a Texas Originals (TXO) Artist by the Texas Commission on the Arts.

Peck is a practicing artist-painter and printmaker for more than 30 years. Born in Texas and growing up in New Mexico. Her works are exhibited in New Mexico, Oklahoma, Louisiana and throughout Texas. Her works have been in solo and group exhibits. Peck also curates exhibits. She has been presenting workshops with Akua Inks using the pin press and etching press for the last 10 years.

Peck studied painting and sculpture at New Mexico State and was introduced to printmaking in Austin, TX at Flat Bed press. "I love that original prints can exist in more than one place at once and be shared with a wide audience." Peck is published in "Fiber arts" Design Book 5.
