

May 26 – June 28, 2019

Welcome to the 64th anniversary of the Irving Art Association members annual competition. We're accepting a wide range of 2D media. We have limited room for 3D art (except for wall hangings), so please check first with the curators (iaaexhibits@gmail.com) before entering.

Our juror this year will be Fort Worth artist and instructor Ann Eckstrom. Curators are Sharon Giles and Sarah Murphy.

Exhibit Location: both the East and West Galleries at the Jaycee Park Center for the Arts.

We will accept entries both online (no images required) and also on May 25, Intake Day. All entries meeting requirements will be accepted into the show as long as there is space. Because you save us volunteer labor, entering online will be \$30 - a \$5 discount. **Deadline for early online registration is May 23** and **images are optional** also - if included they may be used in publicity.

As in prior years, we will have a **Challenge Award** for a special theme. This year it's **Monochrome**, and participation is optional.

Intake day is Saturday, May 25, 10am - 2pm. The registration fee for artwork submitted on intake day is \$35 (for those not registered online). Those members who have registered previously online will deliver their work too. *(To deliver earlier in the week, contact iaaexhibits@gmail.com. Be sure to bring a copy of your online entry registration with you.)*

For information on entering, **check the Rules as posted in the Prospectus:**
