

Registration is open for the **July 21st** Copic Club class (*to be held from 9:30-11:30 a.m. at the Jaycee Park Center for the Arts in Irving, TX*).

Remember the Polkadoodles [Tulip Girl](#) project we did a couple of months ago? Many of you wanted a chance to color the Marigold girl too. You're in luck - because she is our project for July's class! How sassy is this girl, and don't you love her Rapunzel-like hair?

Note: The happy birthday sentiment can easily be swapped out for another occasion. Some fun options: "You're my Best Bud", "You're bloomin' awesome", "If friends were flowers, I'd pick you", etc.

In July's class, you'll learn:

How to blend different color families together to create gorgeous orange tones

How to create high-contrast, textured flower petals

My favorite techniques for fabulous hair

And more!

The July Copic Club class fee is \$25. Suggested marker colors will be sent once payment is received.
