

IRVING ART Association Children's Art Program

This Fall the Irving Art Association is starting a **Children's Art Program** for children ages 7 - 13 years of age. The age groups are broken down into two groups; 7-10 years of age and 11-13 years of age.

The programs are scheduled for fall 2017 and spring 2018. We have designed art projects that incorporate the basic art principles of design, color, and composition into creative interactive fun.

For more information, contact Michele Quarton at iaakidsart@gmail.com.

The art classes are held at the Jaycee Park Center for the Arts, located at 1975 Puritan, Irving TX 75061 (the gallery of the Irving Art Association). [Directions](#)
