#### **PRESIDENT'S MESSAGE**

Linda W. Shotwell

Spring is here and summer is right around the corner. I find this time of year always provides me with a great opportunity to do a little spring cleaning in my studio. During the process I often find items tucked away that I have intended to use in some future project. This inspires me to either start that project during my 'slower' summer months or to find another artist, arts & craft group or recycler I can give the art materials too.

The process also gets my mind buzzing about all the artists I have met during the previous 'Art Season' and how I would like to find a way to collaborate with them for new activities during the upcoming IAA 'Art Season'. Some of those activities include art demonstrations, workshops, personal exhibitions or teaching opportunities. For example, for the upcoming year I would love to find artists who work in mediums such as alcohol ink painting, clay & pottery, sculpture, air brush painting, caricature drawing, mosaic art, and children's art. If you are an artist who uses one of these mediums and would like to participate in some way, please send us an email at [irvingartassociation@gmail.com](mailto:irvingartassociation@gmail.com) and let's talk about how we can work together.

It's going to be an exciting IAA Art Season and we want you to join us in the fun
