

About the artist: BEHNAZ SOHRABIAN

Born and educated in Tehran, Iran, Behnaz Sohrabian started painting as a child and continued her passion professionally from the age of 10. She received a BS in Applied Chemistry, a BA in painting and a Master of Arts in Art Studies.

She moved to Oklahoma as a young woman to be near her family in 2010. Behnaz is a member of the Irving Art Association and has won Best of Show in the last two IAA Member Exhibitions, as well as awards in the Texas & Neighbors Regional Art Exhibition.

Artist's statement: My aim is just to paint simply, apply easy brush strokes, emphasize on light and shadow, and the dynamics between the subject and background. I paint different subject matters for conveying the concept of feminine characteristics and femininity as a representation of simplicity, beauty & inspiration. Woman, flower, earth are creators in our life & they all interact in the process of fertility, reproduction & generosity. My art collection represents this association.
