

JUROR STATEMENT
PETE FERNANDEZ

I found this exhibit to be very diverse and skillful, therefore making the decisions difficult. It was judged on several criteria: design, color, and truthfulness. Thank you for having me as a judge.

ABOUT THE JUROR

IAA is proud to announce that the one of its founding members, Ada "Pete" Fernandez, is our juror.

Pete has been a resident artist of Irving, Texas since 1951. Her formal training was at the University of Georgia, Wesleyan Conservatory of Art and Music in Macon, Georgia. However her studies with artists such as Reveau Bassett, Ramon Froman, Bob Tommey broadened her education.

Pete joined the Irving Art Association shortly after coming to Irving, taking part in its first exhibition showing a portrait that won alternate scholarship state awards, as a senior in high school.

Pete was recently honored in 2016 with retrospective exhibits at the Irving Arts Center in April & May and at the Jaycee Park

Center for the Arts in June & July.
